Caller called back in to say that the dogs were seen in the area of 12th and Gadsden attacking a puppy in the area..clb

Went to the area where the dogs were said to have been seen last. Talk to the people in the area which said the dogs had killed three cats and two small dogs in the area. I looked for the two dogs in the area, but was unable to locate the dogs. D. Sledge #56

05/1/2018 - Per voicemail, caller states that one of the dogs was possibly shot, and is behind McGuire's. The other dog was still running around. BF

1-May-2018 Patrolled area around McGuire's, saw no code green dog, saw no violations. We spoke to the caller's wife, Tawn Lopiccolo (850-288-0088). She stated her cat was killed in her front yard and she witnessed it, and that all she knew was that the dogs had only attacked her cat, and no other animals. She stated that the other people in the area had not actually witnessed the dogs attacking her cat. The dogs were a black pitbull and a white with brown spots. No known location for the dogs. JJ/BF

05/1/2018 12:27 - Ms. Lopiccolo called me to inform me that she believes that the owner's name is Jef Bond, and he lives on Gadsden, but towards 17th Ave.
